

## *Run in Vienna!!*

Come and join us on a fantastic run through the streets of Vienna. For the first time at an EARMA conference we are organising a fun run, which will take place every day throughout the conference.

It will take in some of the sites of this wonderful city\*. What better way to start the day – you can then spend the rest of it boasting to your colleagues about your achievement and how fit and energised you feel, you will be very popular!!

**Meet: 6:30 AM\*\***

**Entrance Main Building, Vienna University of Technology,  
Karlsplatz 13, 1040 Vienna.**

**Every day during the conference:**

**Monday 1<sup>st</sup> July–Thursday 4<sup>th</sup> July**

*co-organisers:*

*David Lauder (EARMA Board); Katrin Reschwamm (Annual Conference Committee)*

- Not all of Vienna, as it would take about 10 hours and we want to get you back in time, fully refreshed, for the conference! All abilities are welcome, fast, slow, medium, tortoises, hares and Olympic athletes, especially Moh Farah (but do not expect us to keep up with you) .

\*\*No, it's not a typo, 6:30 in the morning, really!! Remember to set your alarm clock. No responsibility can be taken by the organisers if you sleep in, or drink too much the night before. We will depart 6:35 AM, pünktlich! We should be back no later than 7:30, in plenty of time for breakfast.
